Dumb Fixity:

Question / Issue:	Inbetween words and pictures
Convener:	Alison Carlier
Participants:	Paul Wilson Tony Hall Robert Wilson Karen David

Discussion & Recommendations/Discoveries:

- reverse pictures turn into words?
- c'est ce pas une pipe -
- the word is a picture
- hieroglyphs the word is a picture
- ~~is it an ad~~ why do we make marks? or cave paintings
- where are these words
- the idea comes before the word
- do we think in pictures or words
- subjective & culturally specific
- drawing / an image is a compression of language into one visual.

### Discussion & Recommendations/Discoveries:

- drawing / images describes stuff more directly than words.

- pictures not being literal
- "in truth in very very truth I am the door"
- we all understand words - in different ways.

something 'hole'

the "place of hovering"

meditative place -

- without language you are a thing
- psychotics - are objects

- in our society people have become objects - objectivication.
- is there an objective interpretation

**Discussion & Recommendations/Discoveries:**

- who speaks + when + where
- feel a word
- Gullivers travels - ? speak in  
i objects in there  
pockets -
- China Mieville: Novel  
"Station" \ host creatures  
have no metaphor
- listening / interpreting / meaning to  
transmission of sounds - decoding  
textual -
- phonemes become attached
- sound associated with a sound -  
• language at the beginning and end of life.
